¹ Please note that NLRB Rules and Regulations Section 102.2(c) states that "[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." The due date for exceptions is September 14, 2018 and the request for an extension of time was filed on September 12, 2018, which is only two business days prior to the document's due date. Respondent's counsel asserts that the request is "grounded upon circumstances not reasonably foreseeable in advance." Despite not being filed within three days of the due date, and despite no further explanation of the circumstances, we will grant this short extension of time in the absence of objections from the other parties.
